

Next year's Student Officer's Board will be an **active board** that will have responsibilities as described on each of the Officers' descriptions. At this time, the Adult Board will be accepting resumes or in the alternative, statements, from any student that is interested in running for one of the officers' positions. All resumes and/or statements are due five (5) days prior to the Prescott Rodeo and can be submitted to Jack Assini directly through either email ([jackassini@hotmail.com](mailto:jackassini@hotmail.com)) or via fax (520-742-5087) .

If you would like to apply but lack student council experience or you do not have a resume, the Board will accept a statement describing your strengths, explaining your understanding of what your responsibilities will be, and why and how you believe you will be able to meet those responsibilities. The Adult Board looks forward to each and every interested member, in each position.

In order to be placed on the ballot, **everyone** must submit a resume and/or statement, to include any candidate nominated by an existing member. In an effort to inform the general membership of a candidate, all resumes and/or statements will be posted on the website.

Thank you.  
Jack Assini

#### President

- \* Major responsibility will be to take over the fund-raising from the Adult Board
  - DHS Tickets
