

May 19 2014

Dear Members

My spiritual advisors requested that I start a President's Corner on the website that will also be sent out via email. The goal of this is to try and keep our membership informed of important details that are happening within our association. I will try and send out a monthly update. I would like to first thank Willcox host town committee for hosting our April rodeo. Since this is my first message to the members I would like to thank all of the other host towns that have hosted our rodeo's this season, they have done a great job.

Important up coming reminders: Junior High Finals-

1. Please make sure if you plan on attending the State Finals that you have ordered your participation jacket. This is a great gift for all our members that will be competing at State Finals and I think that each and everyone of you will enjoy it and get a lot of use out of it. Please email me if you have not ordered your jacket and plan on competing at State Finals.
2. In order for you to compete at your State Finals you must have your saddle money and your Dodge raffle ticket money turned in, in order to compete. Also do not forget to have your sealed transcripts to turn in at check in.
3. Awards banquet and dance will be held Saturday night and remember this year we will be giving top 10 awards so please plan on attending. Please see the details on our website. You will want to purchase your tickets in advance because they will be cheaper then purchasing at the door. The Sonoita host town committee will be trying to put together a memorable event.

Future discussions:

1. With our growing numbers in membership there has been some discussion of the possibility of running two (2) goes of the team roping on Saturday and Saturday evening. This would allow our rodeos on Sunday to get over at a more reasonable time in order to give our families the opportunity to get home at a reasonable time. This is something that will be decided at our annual meeting by your board of directors.

Please feel free to contact me, or any of your directors with any thoughts on the issue.

In conclusion, it appears that it is shaping up to be an exciting finals in both the high school and the junior high. We have some tight races that will be decided at State Finals. Please remember that website will always be the official and final notification regarding all of our rodeos. Please continue to always check the website regarding all information and as we get closer to a rodeo date please check it at least daily for any changes.

Best, Jack
