

Hello rodeo families! We would like everyone who is interested to email in their favorite family Bible verse or even a favorite for each member of the family!!

Either way! We think it would be pretty neat to put a book together containing your favorite verses for the AZHSRA family.

So, if you have a favorite...great!! If you don't ...be looking for one. ☺ If you have a life story that makes this verse so special to you send that in too, we'll try and incorporate it into the book. Also, send in pictures of your family, a contestant, a rodeo action shot, or just a favorite. We will put this with your verse.

We have just started the brainstorming process but we both know that we ourselves would love to have such a keepsake.

Casa Grande High School/Junior High Rodeo will be the deadline.

Text or email Kay Peterson with your verses and pictures.
